JULY 1, 1968 TO JUNE 30, 1970

THE LIBRARY OF THE
AUG 24 1972
UNIVERSITY OF ILLINOIS
AT URBANA-CHAMPAIGN

# LETTER OF TRANSMITTAL

To the Honorable William L. Guy
Governor of North Dakota
Bismarck, North Dakota

Sir:

In compliance with the laws of this state, I herewith submit the Fifty-Third Report of the State Fire Marshal's office, covering the period beginning July 1, 1968 and ending June 30, 1970.

Respectfully submitted,

Vance Arneson

Vance Arneson
State Fire Marshal

Bismarck, North Dakota
June 30, 1970

## FOREWORD

This is the third biennial (Fifty-Third) report of the State Fire Marshal's office. Since the last biennium we have issued 21 wholesale fireworks licenses and have collected $5,250.00, which was turned over to the State General Fund. During the past biennium we have made it without a serious fireworks incident in North Dakota. We still believe fireworks should be outlawed in North Dakota. There have been several serious fires in state institutions, calling our attention to the need of fire insurance examinations of our state institutions. There is also a need for fire alarm systems, sprinkler systems, closed stairways, and new electrical wiring. The crime of arson and vandalism fires is on the increase, brought about by the increased use of dope, the draft laws, and student unrest. The Fire Marshal and the fire service in general, believe that North Dakota should have a state building code, tougher fire regulations for hospitals, nursing homes, homes for the aged, and schools. Legislation calling for these items will be proposed during the next legislative session.

All inspections required by statute for hospitals, nursing homes, boarding care homes, foster and child care homes, and jails, have been made including the review of plans and specifications for new construction and remodeling of schools, hospitals, nursing homes and miscellaneous building. We have reviewed a total of 106 plans and specifications in the last biennium. We have also conducted 90 private investigations and condemned 64 buildings in the last biennium, resulting in this office carrying civil cases in the amount of $3,000.000.00.

Since our last biennium we have had 36 deaths due to fire, compared to the 48 deaths due to fire during the previous biennium. We have had 45 people severely burned by fire in the last biennium compared to the 25 people severely burned by fire last biennium. This biennium's dollar loss is $12,500,000.00 (estimated figure) compared to last biennium's dollar loss of $13,118,323.17.

The personnel of the State Fire Marshal's office are constantly going to school and teaching classes on fire investigations and we give thanks tothe Governor for granting our office permission for out-of- state travel.

The greatest need in this department at this time is money for fire prevention material and at least temporary help during summer months when we have additional reports and work such as paying the fire chiefs, and to help when an employee is on vacation.

At this time we would like to thank all organizations for their active cooperation with the State Fire Marshal's office during the past biennium, especially the North Dakota Firemen's Association, the North Dakota Peace Officer's Association, the State Electrical Board, the Bureau of Criminal Identification, the North Dakota Board of Architects, local sheriffs and police officers for aid in fire prevention and education and in enforcing the firelaws in the investigation of the crime of arson. Special thanks to the North Dakota State Laboratories Department for its excellent laboratory work both in the flammable liquids and the fabric identification field with reference to investigations conducted by this office.

OFFICE OF THE

STATE FIRE MARSHAL

OF NORTH DAKOTA
